WELCOME TO THE CASTLE HOTEL BURG SCHLITZ

*T*here are quiet places where the soul feels at home. A little break far from everyday's noise is enough to bring peace to your soul. For a lasting repose you need above all calm and comfort. Encounter with nature helps you to recover and to develop positive thoughts. Where Mecklenburg opens his heart to look deep inside, lies Burg Schlitz in a natural spot of breathtaking beauty of a 180 acre landscape park. Stroll through our castle park with its ancient trees, lakes, hidden ponds and walking trails bordered by 36 monuments in the form of obelisks, caves and columns. Hans Graf von Schlitz, a Prussian diplomat, made in 1806 his dreams of a family home come true. Today, the castle hotel Burg Schlitz, is a stately country residence for people who love the good life in the country. A "Jewel of strength and beauty" - in the heart of the Mecklenburg Switzerland and Lake District. A building from the period of sentimentalism. It's not a dream, but your ideal destination if you are looking for rest and relaxation in a sophisticated stylish atmosphere.

We welcome you in the place where the soul grows wings!

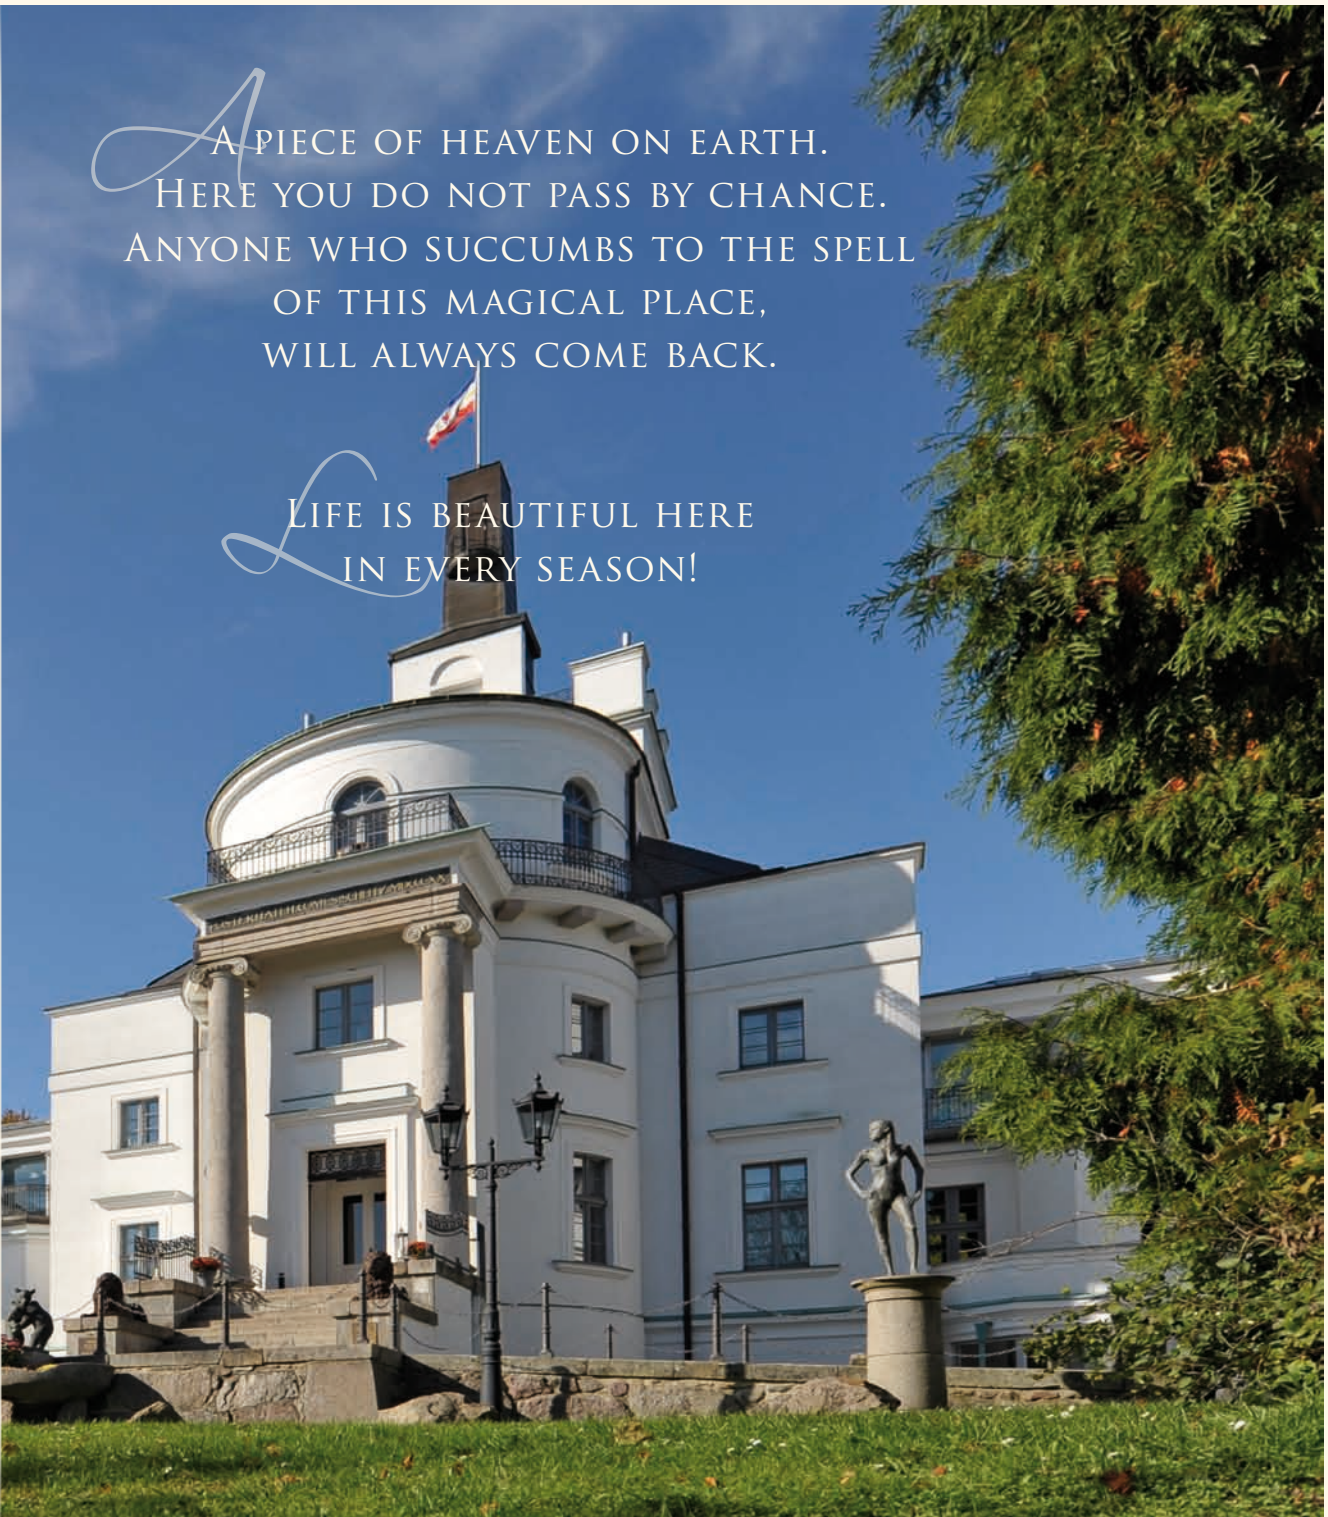

Your hosts on Burg Schlitz, Manuel and Armin Hoeck,
send you their warmest greetings!

Manuela & Armin Hoeck

A PIECE OF HEAVEN ON EARTH.
HERE YOU DO NOT PASS BY CHANCE.
ANYONE WHO SUCCUMBS TO THE SPELL
OF THIS MAGICAL PLACE,
WILL ALWAYS COME BACK.

LIFE IS BEAUTIFUL HERE
IN EVERY SEASON!

HANS GRAF VON SCHLITZ
